## Cheesus Lyrics

(To the tune of Hey Jude)

*Cheesus  
What's this about?  
Milky goodness  
To end December*

*Remember, all that Gouda you bought.  
Well you had ought, go somewhere to nibbl'it*

*And if there's no room at the inn. Cheesus, begin  
To get all your mates round on your sofa.  
But tell 'em don't go down the shop. Do not top up,  
Just bring all the stuff you've got left over.*

*Cheesus. Go get your friends  
They will have more chunks in their fridges.  
Religion, is but a cheddar away.  
Camembert, hey. Come join in our knees up.  
Knees up knees up knees up knees up knees up whoa*

*Ah nah nah nah nah... nah nah nah nah ... Cheesus!*

*Ah nah nah nah nah... nah nah nah nah ... Cheesus!*

*Ah nah nah nah nah... nah nah nah nah ... Cheesus!*

*etc*
